

Silvent 59002W-Z-H Air blow gun

Delrin gun long lever, with flat nozzleSV
9002W-Z | 5.5N - IG 1/4

Silvent 59002W-Z-H an air blow gun with a long trigger fitted with an energy-efficient flat nozzle that generates a strong, efficient blowing force at an exceptionally low noise level. Compressed air is optimally used in this air blow gun, which through its unique design introduces a completely new blowing technology feature. The aerodynamic nozzle design achieves the effect by maximizing entrainment of air. Each orifice is also uniquely designed to optimize the entrainment area. This air blow gun is ideal for quickly and efficiently blowing surfaces clean.
