## SW 66002 Saw

**Low vibration / Stroke frequency: 9500 hpm / Stroke length: 10 mm**

swepro SW 66002 - The low-vibration saw with a stroke frequency of 9,500 hpm is ideal for body work and sheet metal work. Based on its 360 ° swivel joint air inlet the SW 66002 has very good handling. Saw blades with 18T, 24T and 32T are included in delivery. An adjustable safety bar secures and define the application.
